

Bandit BBQ's Declaration

Our BBQ is good. It's real good.

We will run out of meat. It's inevitable.

When we run out of meat, we're out of meat.

We will make more, but it will take hours.

Many hours.

**If you're bent on waiting for more meat,
you'll be waiting until tomorrow.**

Yes, we literally mean tomorrow.

Come back then.

**Tomorrow you might get some of our
amazing, mouthwatering meat.**

If you're lucky.

**When tomorrow does get here, there are
no guarantees how long the meat will last.**

Get here early.
